ROSHAN GIRI

Aerospace Engineering Student
+977-9762786755 (WhatsApp) | roshan.giri.730@gmail.com

CORE SKILLS

- CAD design
- UI/UX and graphic design
- Aircraft and structural analysis
- Data analytics and research
- Communication and outreach

SOFTWARE

- XFLR5
- ANSYS
- Google Earth Engine
- CATIA
- Autodesk Fusion 360
- Blender
- Figma
- Adobe Photoshop
- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint

PROGRAMMING

- Basic Python with exploratory data analysis (EDA)

LANGUAGES

Nepali (native)
English
Hindi

INTERESTS

Aeronautics and UAVs
Space and spaceflight
Data analytics and research
Design and branding

LOCATION

Current Address
New Baneshwor, Kathmandu, Nepal

Permanent Address
Shantinagar, Jhapa, Nepal

PROFESSIONAL PROFILE

Aerospace engineering student with hands-on involvement in CubeSat research, satellite tracking, UAV and aeromodelling projects, payload construction, and technical competitions. Combines engineering interests with UI/UX, graphic design, research, outreach, and data-analysis skills.

EDUCATION

Bachelor in Aerospace Engineering **2079–Present**
IOE Pulchowk Campus, Tribhuvan University
Ongoing undergraduate degree.

School Leaving Certificate **2079**
Kathmandu Model Secondary School, Balkumari, Lalitpur
[GPA: 3.08/4.00]

Secondary Education Examination **2076**
N.K. Singh Memorial E.P.S. Secondary School, Minbhawan, Kathmandu
[GPA: 3.65/4.00]

PROFESSIONAL EXPERIENCE

Designer (Graphic and UI/UX) **Dec 2025–May 2026**
Briha Tech
Created visual and interface design work for digital products and brand communication.

Satellite Research Intern **Research Internship**
NAST Satellite Research Centre (SRC)
Contributing to CubeSat development and satellite-tracking software designed to send commands to a physical antenna.

UI/UX Intern **Jan–Feb 2024**
CodSoft, India – Remote
Completed an online UI/UX internship involving practical design assignments and user-focused interface concepts.

LEADERSHIP AND ACTIVITIES

SEDS Nepal -- Secretary **Present**
SEDS Pulchowk -- Secretary **2081 B.S.**
SEDS Pulchowk -- Outreach Manager **2080/81 B.S.**

- Co-hosted the NASA Space Apps Challenge, Kathmandu (NRCC).
- Organized a CanSat workshop.

PROJECTS AND ACHIEVEMENTS

Design Build Fly -- Pulchowk **2024 A.D.**
Payload Team
Contributed to payload construction.

MOEST STEAM Competition **2023–2024 A.D.**
Project Participant
Constructed a pocket microscope.

MECHTRIX Glider Competition **2023–2024 A.D.**
Winner – Best Endurance
Designed and competed with an endurance-focused glider.

National Aeromodelling Competition **2024 A.D.**
IIT Bombay Techfest
Main-round qualifier; achieved Rank 16.
